

# SX™-2 ALPINE® HD GEN 2

Whether you're gearing up for a day at the range or embarking on your first big-game hunt, the SX-2 Alpine HD Gen 2 warrants a spot in your kit. Equipped with Leupold's Advanced Optical System, it delivers exceptional clarity throughout the day, enhanced by improved lens coatings and an Interchangeable Form-Fit eyecup. This HD performance is complemented by an integrated Arca-Swiss tripod adapter, allowing for quick and secure mounting to any Arca-Swiss-compatible head. So go on and get out there, get stable, and gain the upper hand with this next-gen optic made for detailed glassing.

## KEY BENEFITS

**Leupold's Advanced Optical System** delivers the light transmission, glare reduction, and resolution that all recreational sportsmen and sportswomen demand
