

# AN 10x50M22

TACTICAL BINOCULAR

**NEWCON OPTIK**

Display

The AN 10x50M22 incorporates BAK-4 Porro prisms and multi-coated lenses, delivering impressive light transmission and resolution for brilliantly clear vision. Non-slip UV-resistant rubber armouring makes this unit comfortable to operate even in cold weather.

The AN 10x50M22 incorporates M22 reticles and is built to meet the needs of the most demanding professional operators. It is waterproof and shockproof and adheres to the latest military standards while remaining light and compact.
