

# SIZING CHART EP5 Sonic Defenders® Max

The sizes—small, medium, and large—refer only to the outer earpieces that fit in the ear's concha bowl and help hold the EP5 in place. Proper EP5 size is based on the dimensions of your ear's concha bowl. Medium fits most people.

- Small = Concha bowl height less than 1"
- Medium = Concha bowl height 1"
- Large = Concha bowl height greater than 1"
